IDEA VISION DESIGN & CREATIVITY

MUCH MORE THAN A BRAND

Advance is not just a brand, it is an ongoing story that is being told, & unfolding every moment. Advance means honesty and service. The honesty hints at the magnificent quality & durability of the brand, while the service mean everything at advance, whatever you demand or we commit that get etched on our heart. This when combined with the long-term vision, focused mission and the eternal values, makes the ingredients of a brand that is here to stay till the end of time.

Advance decorative laminate is the name reckoned with international quality and superlative design. Here creativity and skills are blended together to bring out world class laminates to beautify every inch of your design space. Our manufacturing facility is located in Hapur, a industrial town in north India, 30kms away from the capital city Delhi. Backed by several years of experience in panel trade, the promoters have set up a state of art facility with latest machinery sourced from around the globe. The design papers and finish moulds are sourced from Europe to bring international quality designs & standards to our clients. We have committed ourselves to uphold highest manufacturing standards which has earned our manufacturing facility ISO:9001, 14001 & 45001 certifications.

How to search your favorite laminate in index:

1. See the texture name abbreviation and no. of your selected laminate.
2. Search the texture box in index. Each texture is given in separate box.
3. See the design no in texture box, it is in increasing order.

For Example: If you need 9055FL, then search for FL in index and then the design no. It is on page no 21. For **Max Gloss** Search for **MG** with **Design no.** Similarly for **Suede Finish** go for **SF** with **Design no.**
