The key to *Great* Design is capturing the spirit of the client & the essence of the space.

ABOUT US

Euro Pratik is an innovative designer and importer of products, with an objective of creating world-class interior & exterior environment. At our core, we are design driven and we apply that creative thought process to both product development and internal operations.

We are trying to provide more choices in the segment to help the architects & designers achieve what they desire. Our innovative products are leading to create a paradigm shift in the concept of lifestyle spaces. We understand the dynamics of the day to day changing trends and endeavour to attain new designs, colours and textures combined with contemporary & futuristic approach, in response to demands of present and future interior design needs.

Aspire backlit panels allows you to define separate spaces and draw attention to specific features while maintaining an overall cohesion in the design. And because they also serve light, they are a functional element at their core.

It is used in Reception Tables, Hotel Lobby, Living Room, Room Ceiling, Banquet Halls & many more.
