HPL COLLECTION

THE POSSIBILITIES ARE ENDLESS

Greenlam is among the world's top three, Asia's largest, and India's No. 1 surfacing solutions company. With its presence in over 100 countries, Greenlam has focussed on developing quality products with great passion for innovation. It offers end-to-end surfacing solutions spread across laminates, compacts, decorative veneers, engineered wooden floors, and engineered wooden doors and frames to choose from. With two state-of-the-art manufacturing facilities in the country, it is the first choice of architects, interior designers, and home owners when it comes to transforming living spaces.

We work in harmony with our environment. Greenlam thinks and acts to save and preserve nature in its pristine form by ethical sourcing of its raw materials from the world over. Coupled with this, the products offered by Greenlam are Greenguard certified and antibacterial, thereby ensuring they are environment friendly and safe to use. With a robust team of over 14,000 distributors and dealers across the globe, Greenlam is just a call away to give your spaces a new look.

YOUR COLOUR, YOUR LAMINATE.

Only an architect will understand.

The Greenlam Laminates Colourama App is every interior designer's and architect's go-to app. In just a few seconds you can turn your inspiration into reality. Simply 'click' any photo and select your favourite colour or 'pick' a colour from the palette and we will 'match' it to our laminates. Along with this, you can also find complementary laminates and suggestions for the edge band.

DOWNLOAD THE COLOURAMA APP

8 NEW TRENDS

Because Excellence Is Always On-Trend.

#1 ARTISAN

A contemporary palette with new-age herringbone-like patterns in dark solid colours and stones.

This palette is more towards modern designs in which the wooden textures gives wings to your imagination and the splash of colors brightens up your mood.

#2BLACK MAGIC

THE BLACK MAGIC YOU'D WANT IN YOUR HOME.

The elegance of the colour black will cast a spell so strong that Black Magic will be a trend that will be coveted by all.

It is a bit light in terms of tone, a mix of wood, pastel colour and gray stone to bring lightness to the mood

A darker shade to create an elegant, sophisticated look but at the same time giving it a feel of something mysterious.

#3CONTRAST

FROM CONTRAST TO MIND-BLAST.

Get ready for spaces bursting with life through Contrast; a trend that blends colours and textures to create visual delights for your mind, body, and soul.

It has more of a vibrant feel to it which redefines the ambience by adding different colors which lightens up the environment but at the same time it has wood patterns which adds contrast and depth.

A subtle and minimalistic sense of style which has more of the light shades of wood and dark shades of solid colours and stone.

#4 DECO DÉCOR

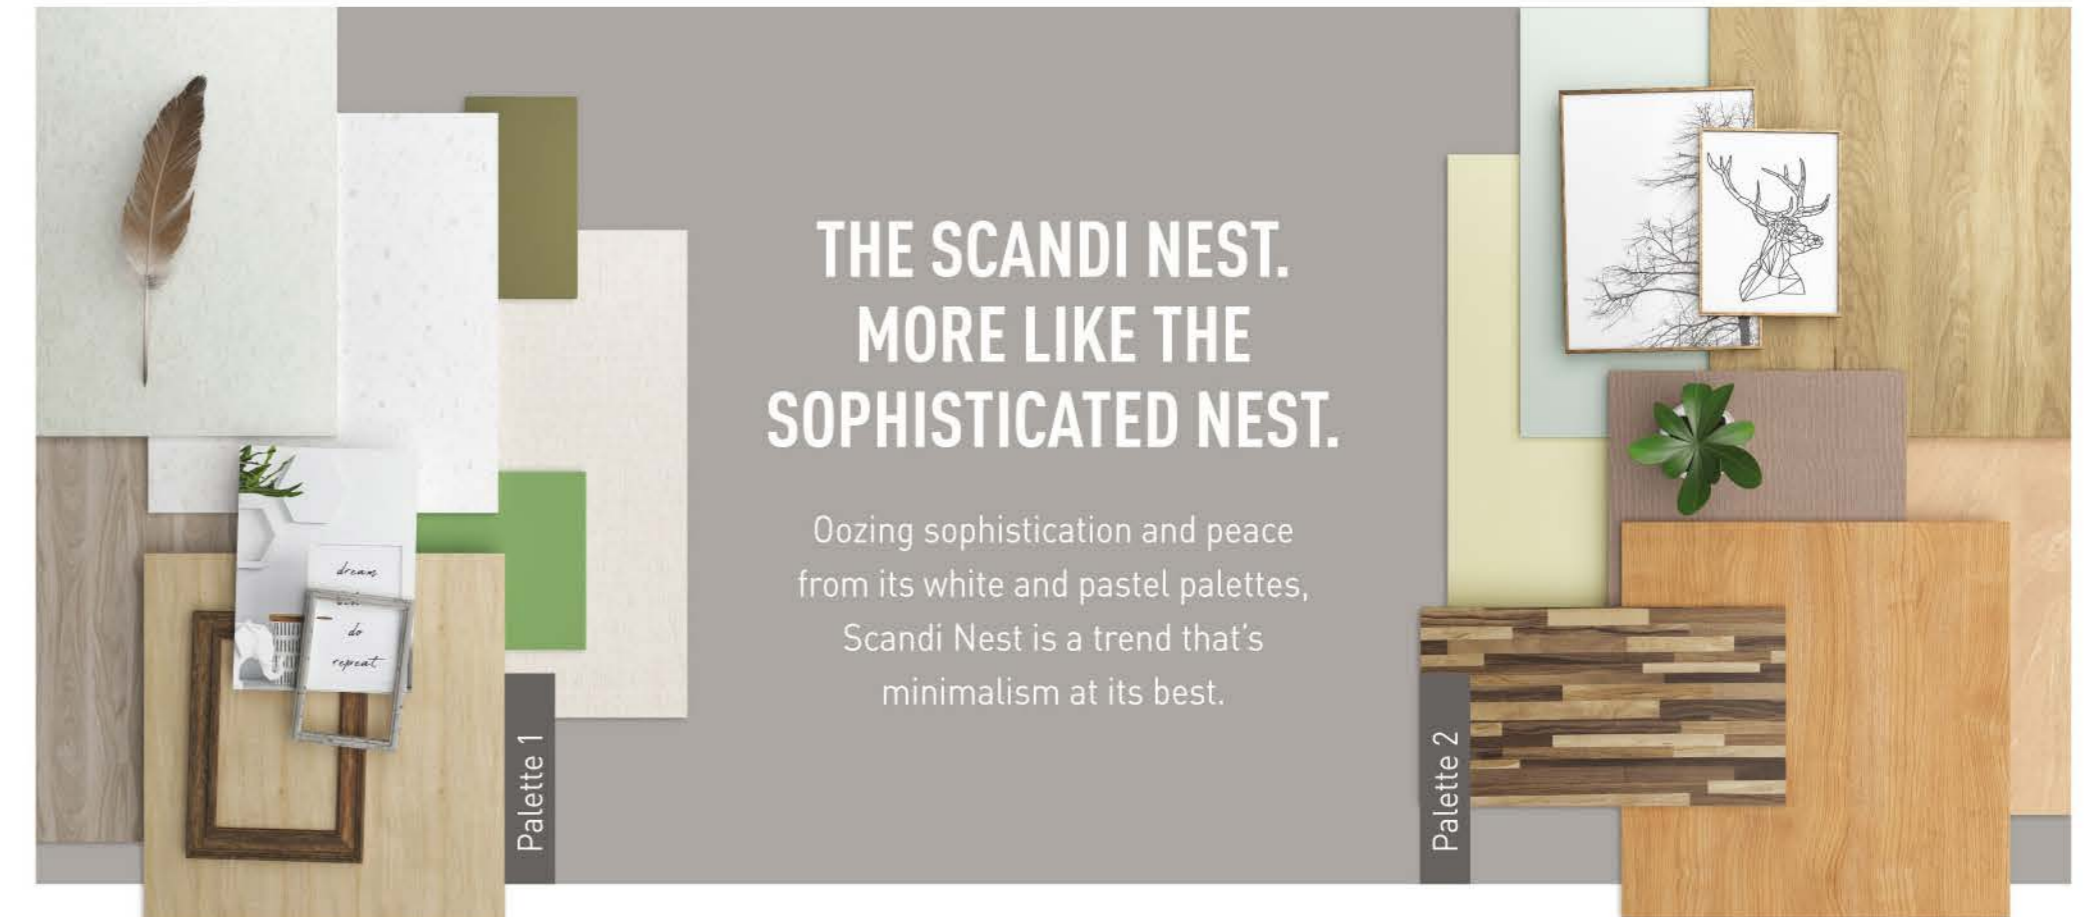

A masculine collection with the inclusion of marble & metal and bright contrasting colors.

An expressive and softer palette with pastel shades and tobacco colours.

#5 SCANDI NEST

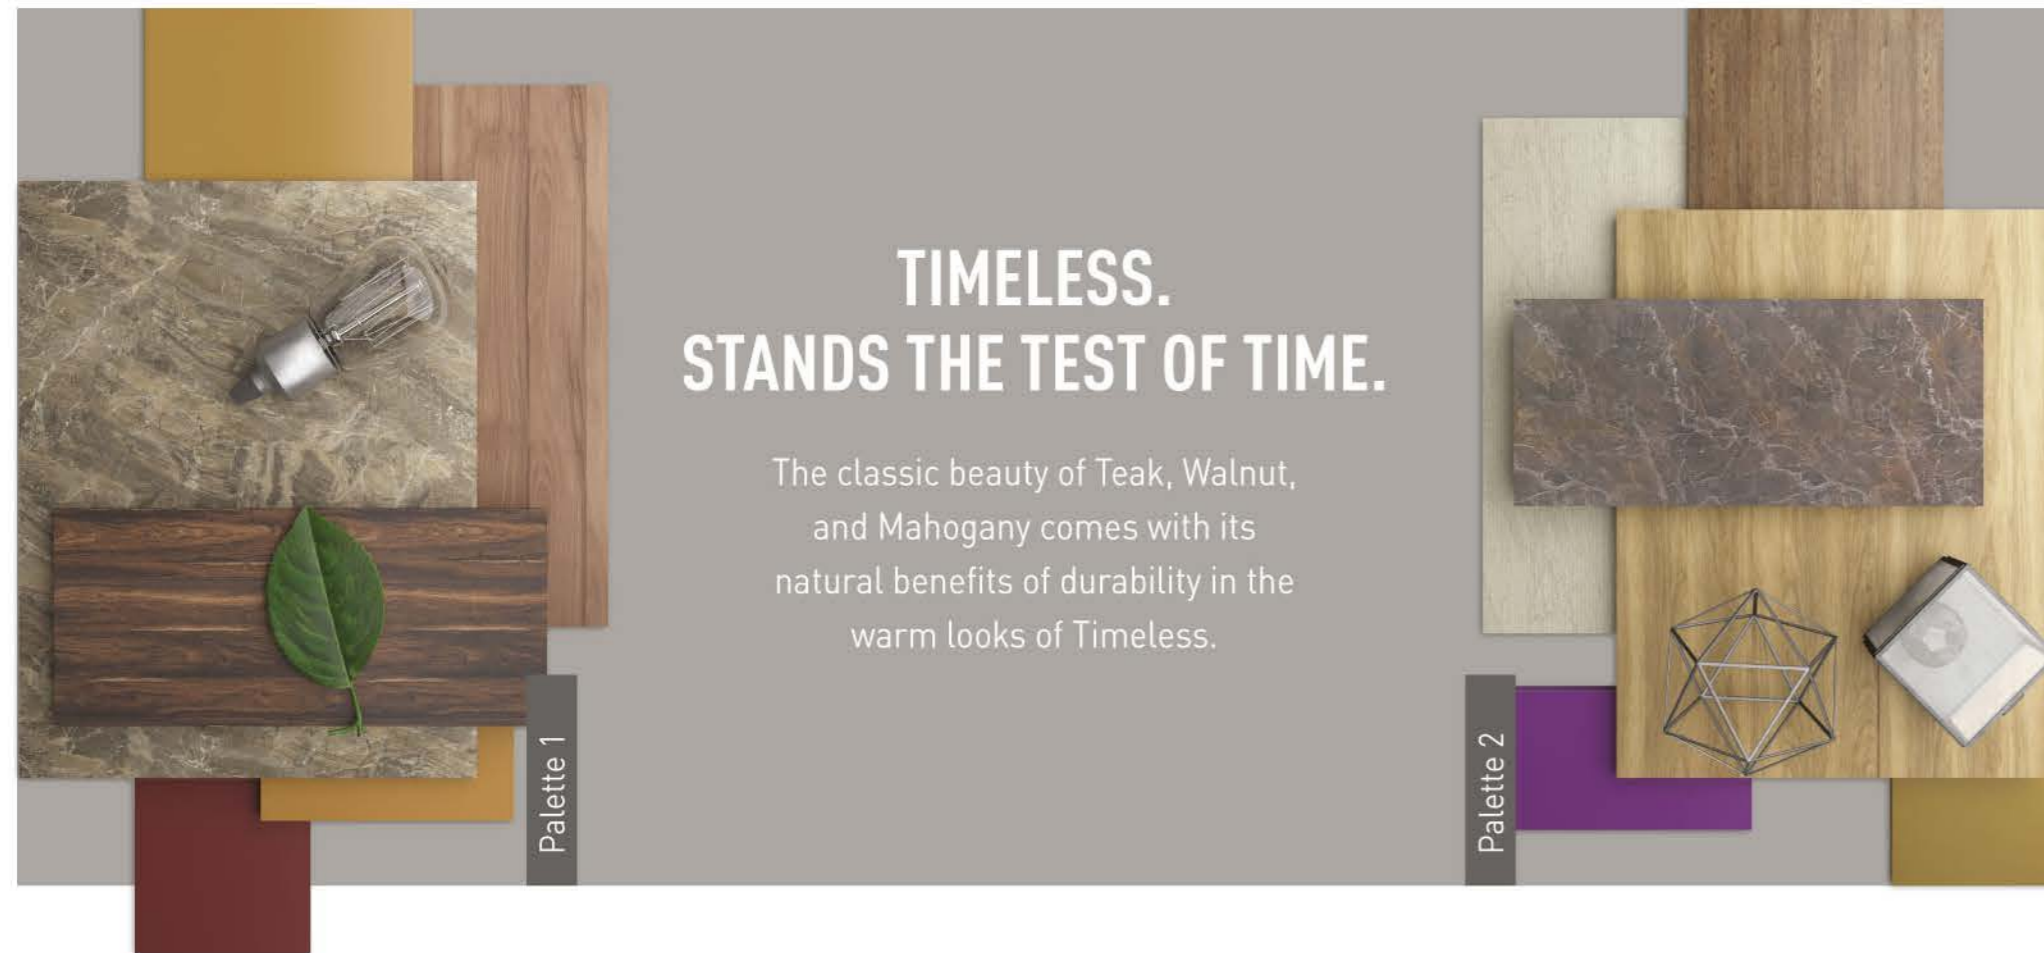

Create a light and contemporary living space with the hues of white and gray.

Choose a denser colour palette that exudes calmness yet grace. This combinations bring a light and contemporary feel to any environment.

#6 TIMELESS

It is a perfect example of iconic styling and modern day functionality with the inclusion of the raw forms of wood and finest marbles.

this palette creates a space with pristine beauty and portrays how nature is echoed by the use of stones and woods.

#7 URBAN ELEGANCE

A palette that plays with light contrasting colours to create a calm space.

A palette playing with taupe colored stones and powdered pink solid color.

#8 WILD SIDE

THE WILD SIDE – BEYOND YOUR WILDEST DREAMS.

Bold. Unconventional. Raw.
The Wild Side is an avant-garde
trend that adds a fresh punch to any
space lacking character and glitz.

Derived from the heart of nature, this texture
beautifully blends raw wood patterns and vibrant
colours for a whole new style.

It has mild and tame wooden textures but has
a strong feel which gives sense of comfort and
a new spirit.

AFX

Greenlam AFX is a matt-finish laminate which has been specially treated to make the surface impression-free, non-porous, scratch-resistant, and hydro-repellant, making it effortless to clean away impurities and grease marks.

Anti-fingerprint Laminates

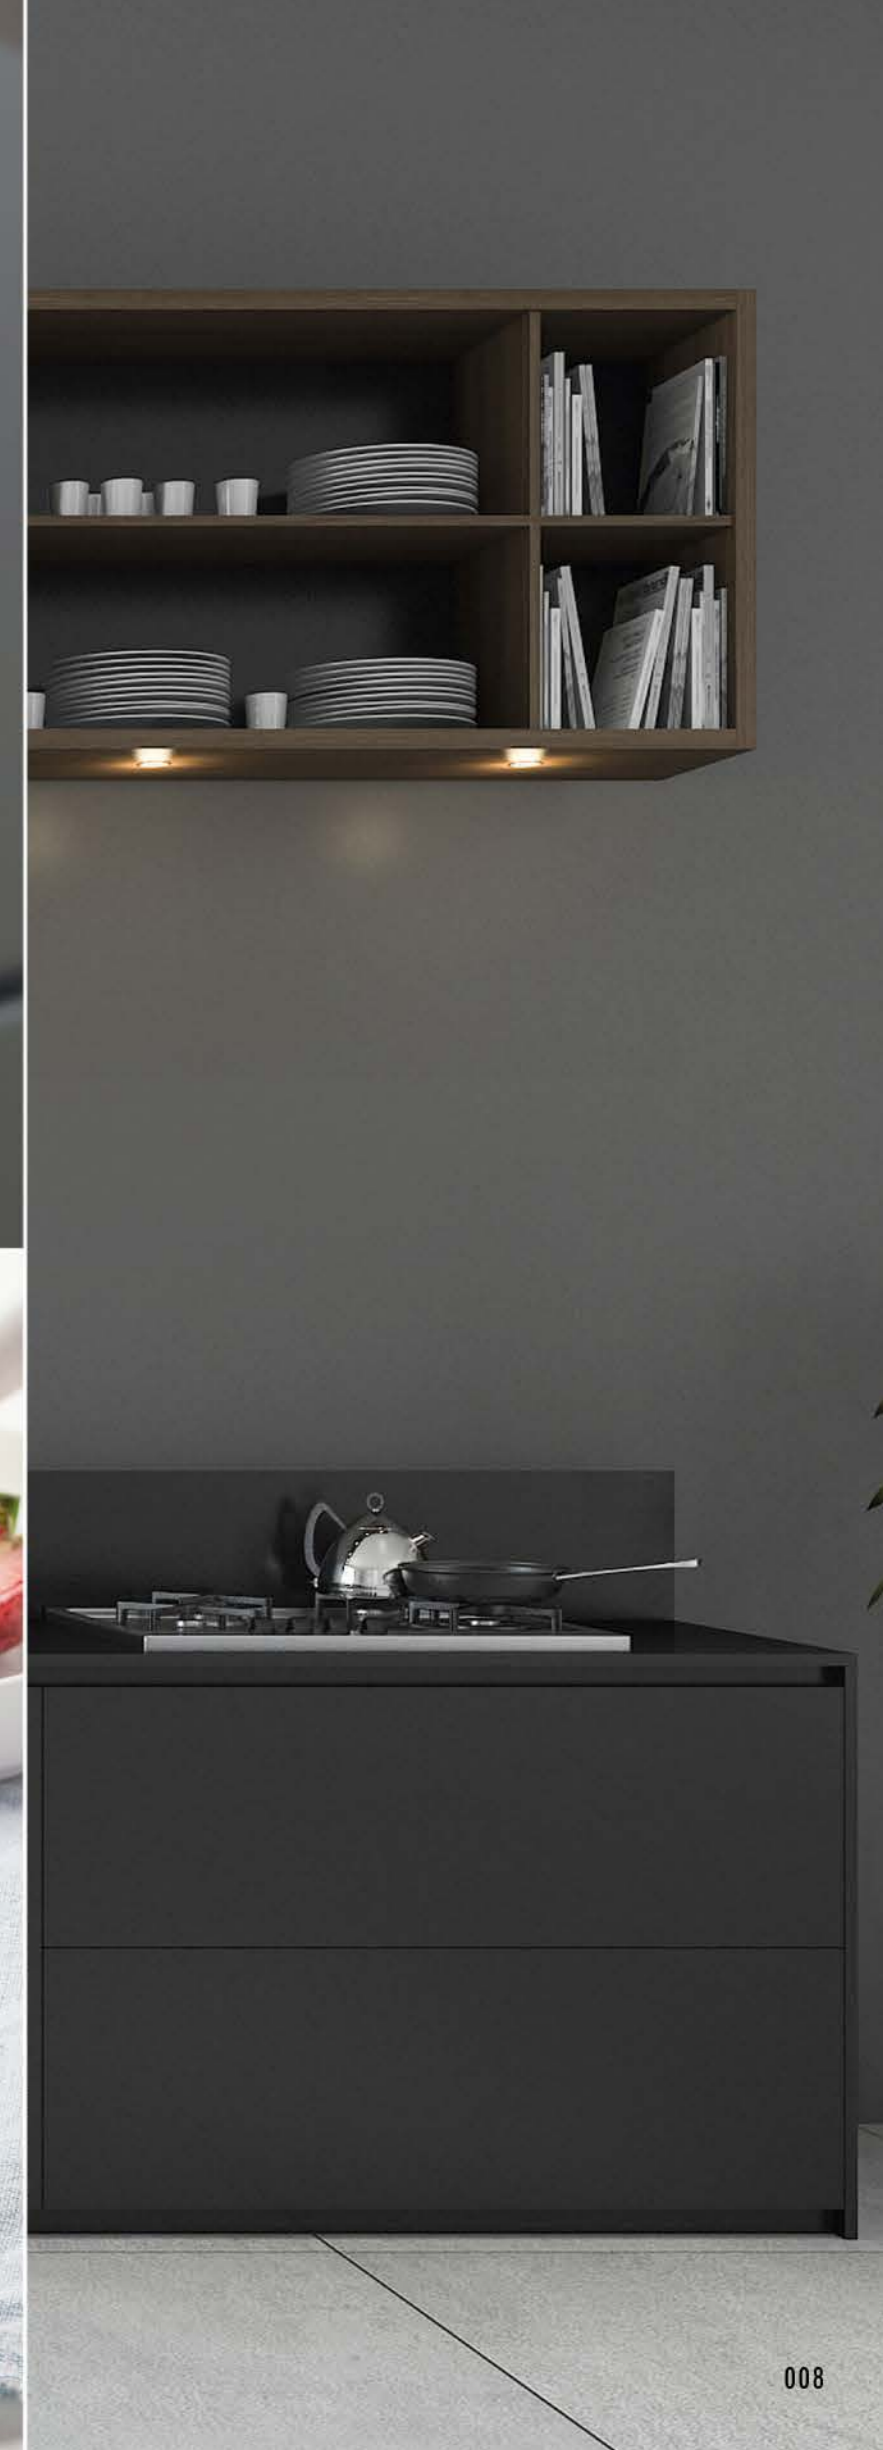

Sizes: 1300 x 3050 mm (4.25 x 10 ft)

Thickness: 1.0 mm

Recommended Applications: Shutters, Paneling, Table Top.

Premium Retail Furniture & Fixtures and Doors

- Anti fingerprint
- Matt Surface with Low Light Reflection
- Soft Touch
- Scratch-Resistant
- Hygienic
- Food-Contact Suitable
- Mould-Resistant
- Easy-to-Clean
- Hydro-Repellent

UNICORE

Greenlam Unicore are high-performance uni-coloured laminates made with multi-layers decorative papers. These are crafted to offer uniformity and seamlessness to the surface with no dark edges.

Unicore Laminates

Sizes: 1220 x 2440 mm (4 x 8 ft)

Thickness: 1.0 mm

Recommended Applications: Premium Furniture & Fixtures

- Abrasion-Resistant
- Antibacterial
- Heat-Resistant
- Scratch-Resistant
- Stain-Resistant
- No Dark Edges

WOODS

The beauty of well-defined woodgrains will never go out of style. From quiet minimalism to bold masculinity, the secret of our ultra-realistic wood laminates lies in the precise colour tones and three-dimensional surface designs. Backed by our experience and knowledge in wood veneers, we are able to achieve the unique wood patterns that give our laminates their distinct wood lines, swirls, knots, and cathedrals.

OUR COMMITMENT TO QUALITY ASSURANCE

Safe and Healthy Living alongside Greenlam Products

The entire range of Greenlam Laminates is Anti-Virus and Anti-Bacterial, that retards the growth and kills up to 99.99%* of Viruses and Bacteria.

GREENGUARD Certification

GREENLAM® Laminates are classified under the Low Emitting Product category when measured for potentially harmful emissions. This is an assurance that our products are ideal for use in interior environments where air quality is vitally important.

GREENGUARD Gold Certification

This certification, with a stricter criteria, means that **GREENLAM®** products are suitable for use in environments where children spend significant periods of time, including schools, daycares and healthcare facilities.

All **GREENLAM®** Laminates are certified by prestigious American body, NSF International, making them the safest laminates for human health. Our surfaces can be used in situations where they will have direct contact with food. *Our surfaces have also been tested in accordance with EC directive 1935 with regards to food safety. Our products were proved fully compliant through testing to the demanding EU Food Commission Regulation 10/2011 with successful testing to BSEN 1186-1:2002, BSEN 1186-3:2002 & BSEN 1186-14:2002*.

The FSC certification is considered the "gold standard" designation for

PRODUCT PORTFOLIO

Greenlam laminates and allied products

A result of an undying passion for craft, technology and art ; Greenlam product range can work with almost any style of decor. Offering breakthrough designs and stunning textures which are incredibly gorgeous and strikingly creative. Designed to transform dull spaces to a lively paradise. Each variant of laminate is complemented by exquisite detailing and understated, to say the least.

HD GLOSS LAMINATE

A superior gloss laminate empowered with the best in class Scuff, Abrasion and MAR resistance to resist permanent deformation or micro scratches resulting from the application of dynamic mechanical force.

DIGITAL LAMINATE

Innovation and contemporary consolidated into one. Extensive variety of digital colours and patterns for you to enrich every nook and corner of your spaces. Be a trendsetter.

CUSTOM LAMINATE

Now decorate the world around you with your imagination and adorn your house just the way you want with custom laminates. Bring us your own images, artwork, photographs or illustrations and we'll create laminates that are unusual and memorable.

ELECTROSTATIC DISSIPATIVE LAMINATE

When it comes to excellent immensional stability, ESD laminates come first. Having five times more stiffness than its substitutes, the chances of dust accumulation are less on these laminates making them ideal for IT offices, call centres, laboratories, electronic industries, pharmaceutical labs, offices where electronic gadgets are regulary used.

UNICORE LAMINATE

A result of an undying passion for craft, technology and art, these laminates are perfect for edging to create a uniform and seamless finish with no dark edged. Made with special decorative paper-Unicore, in solid colours, suede & gloss surfaces, it enhance the decor aesthetically.

SWITCH BOARD PANEL

A collection of ready to use switch board panels which can be easily cut and drilled, these panels are apt for homes and offices. Manufactured under strict process control, these panels come to life by layering of phenolic resin impregnated 'A' Grade kraft paper with melamine strength and electrical properties.

CHALK & MARKER GRADE LAMINATE

Two premium ranges of laminates, available in a variety of colours, these laminates, when wiped, turn spotless and live much longer than the traditional boards in schools and corporate houses.

MFC

Fused with excellent machinability, superior screw-holding power & smooth surface finish, these Melamine Faced Chip Boards are crafted to add perfection to the spaces. Offering a very wide range of stunning designs, they are ideal for both commercial and residential spaces.

FIRE RETARDANT LAMINATE

Treated with imported fire retardant chemicals which help in delaying temperature rise, making it resistant to fire. Available in a variety of colours and designs, these laminates are high in aesthetic appeal and ensure secured environment.

POSTFORMING LAMINATE

Designed exclusively to enhance the aesthetics of your interiors while preventing water seepage in crevices and moisture retention. Armed with added flexibility and malleability, the post forming laminates are ideal for application on shutters, counter tops, furniture tops etc.

COUNTER TOP LAMINATE

A perfect fit when it comes to kitchen and bathroom settings, these laminates are remarkably elegant, modern and at the same time are resistant to stains, moisture and abrasions. Available in a wide range of sizes and colours to add to your taste of stylish interiors.

SUPERTUFF LAMINATE

Tough from inside. Exquisite on the outside. That are Greenlam Supertuff laminates for you. Available in 1.5mm thickness, these laminates are engineered to withstand rough usage.

DOOR SPECIAL LAMINATE

A range so perfectly fit for doors, these laminates not only clad your doors seamlessly but also make them look beautiful. Available in a specialised 3'x7' size to cater to your every need.

DECOLINER LAMINATE

Range of low maintenance liner grade laminates that add a new dimension to your craftsmanship. Make your cabinets, cupboards & wardrobes as beautiful inside as they are outside.

LAMINATE AND ALLIED PRODUCTS

PRODUCT PORTFOLIO

Greenlam compact laminates and allied products

As Asia's leading manufacturer of high pressure laminates, Greenlam offers you durable and decorative Greenlam Compact Laminates. The perfect choice to build your ideal interior and exterior. While their sturdiness makes them apt for a wide range of applications, their spectacular colours make them more desirable.

Exterior Grade Compact Laminates with unmatched GLE technology, designed to make exteriors enthralling and gripping.

Interior Grade Compact Laminate crafted to beautify your interiors, made from solid grade high pressure Compact Laminates.

Chemical Resistant Compact Laminates, designed specifically to shield surfaces from chemical abuse.

Presenting a new world of restroom cubicles and locker solutions studded with innovative designs and unique features. Enabling you to design your world your way with its customization feature, it offers you innovative and bold patterns & themes to turn spaces

into marvels. Not only this, our expert installation team installs these lockers and restroom cubicles at your spaces assuring perfection.

Planned by the seasoned artistic minds, these new patterns let you explore infinite possibilities and bring new life into your spaces with sheer brilliance.

Specifically crafted for interior design projects and bespoke furniture, these laminates are perfect for edging to create a uniform and seamless finish.

Thinner alternatives of Compact Laminates, these panels are durable and sturdy as ply boards. These are designed to be particularly resistant to degradation, scratch and stain making them perfect for bathroom doors, workstation partitions and other self-supporting vertical applications.

The result of our cutting-edge technology, these revolutionary laminates have solid coloured patterns over the edges to add an extra edge of magnificence.

WOODS AND ALLIED PRODUCTS

A premium range of natural decorative veneers that make your interiors naturally beautiful. This exclusive range of veneers brings you the world's most exotic timbers offering you more than 200 species of woods. Available in Natural / Teak / Engineered.

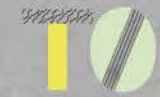

Mikasa real wood floors, produced in India for the first time, draws inspiration from a Spanish phrase "Mi Casa, Su Casa", which means my home is your home. Mikasa is inspired by wood. Each piece of wood is enhanced using the latest technology, thus bringing out the true character of wood. It offers the largest collection of engineered wooden flooring in various thicknesses and sizes. We create the finest floors. For those who have the finest taste.

Unlike traditional doors, Mikasa offers complete door solutions. Ready to fit, engineered from real wood, superior factory-finished products make you look at the doors in a whole new light.

OUR COMMITMENT

QUALITY

ASSURANCE

Sate and Healthy Living alongside Greenlam Products

The entire range incorporates Safeguard Plus™, a revolutionary development that inhibits the growth of the vast majority of common bacteria and viruses. This means our products are ideal for laboratories and kindergartens, to offices and domestic environments.

GREENGUARD Certification

GREENLAM® Laminates are classified under the Low Emitting Product category when measured for potentially harmful emissions. This is an assurance that our products are ideal for use in interior environments where air quality is vitally important.

GREENGUARD Gold Certification

This certification, with a stricter criteria, means that **GREENLAM®** products are suitable for use in environments where children spend significant periods of time, including schools, daycares and healthcare facilities.

All **GREENLAM®** Laminates are certified by prestigious American body, NSF International, making them the safest laminates for human health. Our surfaces can be used in situations where they will have direct contact with food. "Our surfaces have also been tested in accordance with EC directive 1935 with regards to food safety. Our products were proved fully compliant through testing to the demanding EU Food Commission Regulation 10/2011 with successful testing to BSEN 1186-1:2002, BSEN 1186-3:2002 & BSEN 1186-14:2002".

The FSC certification is considered the "gold standard" designation for wood harvested from forests that are responsibly managed, socially beneficial, environmentally conscious and economically viable. If a product, like a piece of tropical hardwood furniture, is labeled as "FSC Certified", it means that the wood used in the piece and manufacturer that made it met the requirements of the forest stewardship Council. All products manufactured by **GREENLAM®** for this HPL collection are FSC certified.

GREENLAM® products have been awarded CE certification which is given to those manufacturers who declares that the product complies with the essential requirements of the relevant European health, safety and environmental protection legislation, in practice by many Product Directives. CE Marking on a product indicates to governmental officials that the product may be legally placed on the market in their country.

Launched in 1992, Singapore's Green Label is run and awarded by the not-for-profit Singapore Environment Council and is the country's leading environmental standard on most products except food, beverages, and pharmaceuticals. The scheme has certified more than 1,000 consumer and industrial products on the basis of reduced environmental impact. Green Label has certified Greenlam's standard and compact grade laminates as demonstrating a reduced impact on the environment.
